QUIRKY.
CREATIVE.
FUN.

Austin-based UI/UX Designer who strives to master the art of web design by harmonizing structure and clean lines with bold colors and creative flare.

My understanding and love of design has been instilled in me since birth, my education from Oklahoma State University set my foundation in research, but it is attending The Iron Yard that has taught me to combine these tools to create a better online experience for people of all ages.

EDUCATION

THE IRON YARD

August 2015 - November 2015

3 Month Intensive Immersion
Program

Course: User Interface Design

OKLAHOMA STATE UNIVERSITY

August 2008 - May 2011

Major: Human Development &
Family Sciences

Focus: Child & Family Services

Minor: International Studies

Clubs: Pi Beta Phi Sorority

PREVIOUS EMPLOYMENT

Jim & Heather Trungale

September 2014 - September 2015

Nanny/Personal Assistant

I was a personal assistant and nanny to a 4 year old and a new born, premature baby. I learned what it is like to work with one "reoccurring client" and the skills necessary to insure their continued satisfaction.

RICHARDSON INDEPENDENT SCHOOL DISTRICT

August 2012 - August 2014

PACE Site Coordinator

State Licensed Child Care Director at 2 elementary schools in Dallas/Richardson, TX. This position entailed: hiring/training new employees, developing lesson plans for grades K-6th in all school subject areas, collecting weekly tuition/filling out deposits, enforcing disciplinary procedures, attending monthly Site Coordinator meetings, adhering to all licensing regulations, submitting employee time sheets, while creating a positive rapport with all parents, students, and school staff.

RICHARDSON INDEPENDENT SCHOOL DISTRICT

May 2009 - August 2012

Technology Department Summer Intern

Every summer while in college I interned with the Tech Dep. performing: tech equipment prep/assembly/repair, secretarial duties, and running the summer robotics camps. This is where my love for tech began.
